

AUSTRALIAN
ACCESS FEDERATION

2010 utilisation overview

Top users of AAF services

University of South Australia	Griffith University	Curtin University
Monash University	University of Queensland	Adelaide University
University of Auckland	Queensland University of Technology	ARCS

WAYF (Where Are You From) login means:

A user has gone to a service - the service redirected them to the AAF WAYF and the user has selected an IdP. It is this selection process that is counted; it does not know if the user actually logs in or not.

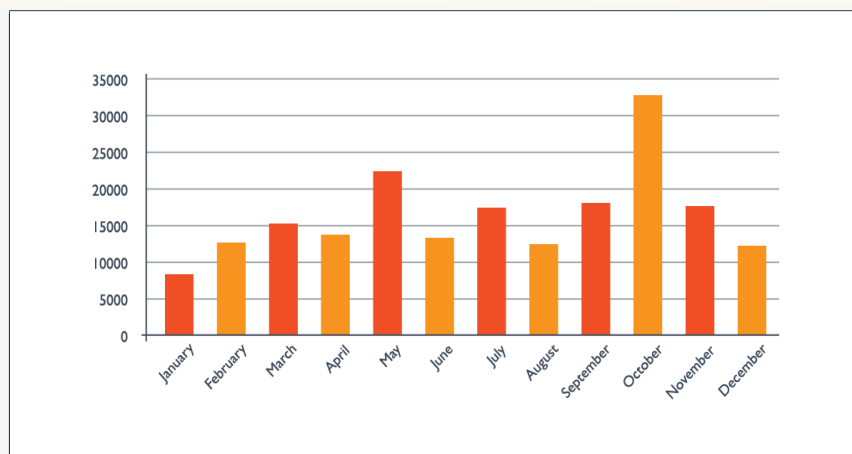

Figure 1: 2010 WAYF Logins

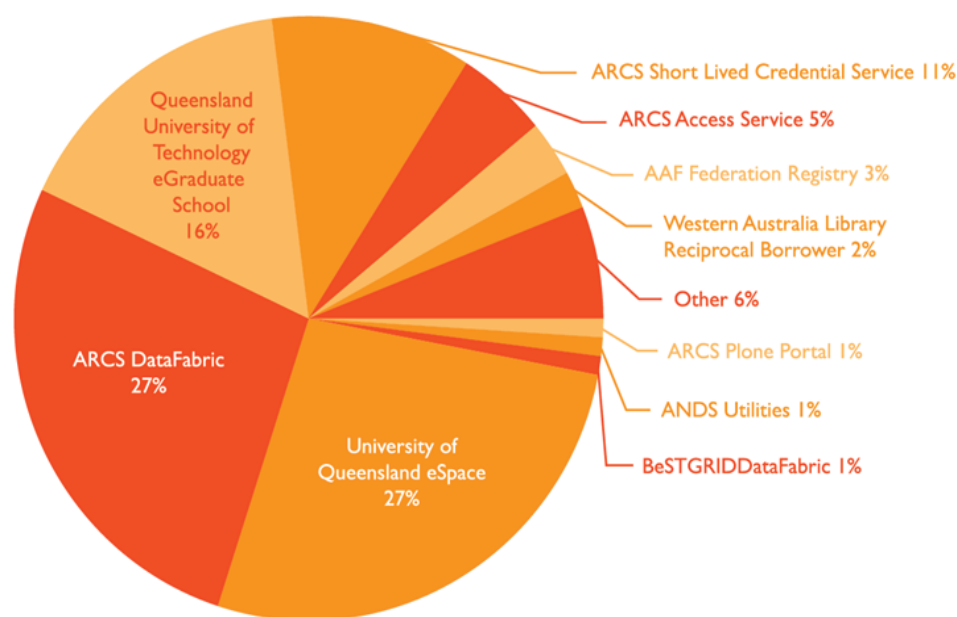

Figure 2: Top 10 Accessed Services in 2010

Top 10 Services

The University of Queensland's eSpace, Australian Research Collaboration Services Data Fabric, Queensland University of Technology's eGraduate School and the Western Australian University Library Reciprocal Borrowing Service were among the top ten accessed services connected to the Federation
